## Definitions of CIHCP Optional Health Care Services

1. **Advanced Practice Nurse (APN) services** must be medically necessary and provided within the scope of practice of an APN and covered by the Texas Medicaid Program when provided by a licensed physician.
2. **Ambulatory Surgical Center (ASC) services** must be provided in a freestanding ASC and are limited to items and services furnished in reference to an ambulatory surgical procedure, including those services on the Center for Medicare and Medicaid Services (CMS)-approved list and selected Medicaid-only procedures.
3. **Colostomy Medical Supplies and/or Equipment** must be medically necessary and prescribed by a physician or an APN if within the scope of their practice, in accordance with the standards established by the Board of Nurse Examiners and published in 22 Texas Administrative Code (TAC) §221.13. Items covered are colostomy bags/ pouches, cleansing irrigation kits, paste or powder, and skin barriers with flange/wafers. The county may require the supplier to receive prior authorization.
4. **Counseling (psychotherapy) Services** must be medically necessary based on a referral from a physician or an APN if within the scope of their practice, in accordance with the standards established by the Board of Nurse Examiners and published in 22 TAC §221.13. Psychotherapy services must be provided by a Licensed Clinical Social Worker (LCSW), Licensed Marriage Family Therapist (LMFT), Licensed Professional Counselor (LPC) or Ph.D. Psychologist.
5. **Dental Care** must be medically necessary and provided by a Doctor of Dental Surgery (DDS), Doctor of Medicine (DMD) or Doctor of Dental Medicine (DDM). Items covered are an annual routine exam, annual routine cleaning, one set of annual X-rays, and the least costly service for emergency dental conditions for the removal or filling of a tooth due to abscess, infection or extreme pain. The county may require prior authorization.
6. **Diabetic Supplies and/or Equipment** must be medically necessary and prescribed by a physician or an APN if within the scope of their practice, in accordance with the standards established by the Board of Nurse Examiners and published in 22 TAC §221.13. Items covered are test strips, alcohol prep pads, lancets, glucometers, insulin syringes, humulin pens, and the needles required for the humulin pens. The county may require the supplier to receive prior authorization.
7. **Durable Medical Equipment (DME)** must be medically necessary, meet the Medicare/Medicaid requirements and be provided under a written, signed and dated prescription from a physician or an APN if within the scope of their practice, in accordance with the standards established by the Board of Nurse Examiners and published in 22 TAC §221.13. Items may be purchased or rented, whichever is least costly. Items covered are blood pressure measuring appliances that are reasonable and appropriate, canes, crutches, home oxygen equipment (including masks, oxygen hose and nebulizers), hospital beds, walkers and standard wheelchairs. The county may require the supplier to receive prior authorization.
8. **Emergency Medical Services** covers ground transportation only for medically necessary, life-threatening conditions.
9. **Federally Qualified Health Center (FQHC) services** must be provided in an approved FQHC by a physician, physician's assistant, nurse practitioner, clinical psychologist or clinical social worker.
10. **Occupational Therapy** services must be medically necessary and may be covered if provided in a physician's office, therapist's office, outpatient rehabilitation or free-standing rehabilitation facility, or licensed hospital. Services must be within the provider's scope of practice, as defined by Occupations Code, Chapter 454.
11. **Physical Therapy** services must be medically necessary and may be covered if provided in a physician's office, therapist's office, outpatient rehabilitation or free-standing rehabilitation facility, or licensed hospital. Services must be within the provider's scope of practice, as defined by Occupations Code, Chapter 453.
12. **Home and Community Health Care** must be medically necessary, meet the Medicare/Medicaid requirements and be provided by a certified home health agency. A plan of care must be recommended, signed and dated by the recipient's attending physician prior to care being given. Items covered are Registered Nurse (RN) visits for skilled nursing observation, assessment, evaluation and treatment provided by a physician who specifically requests the RN visit for this purpose. A home health aide to assist with administering medication is also covered. Visits made for performing housekeeping services are not covered. A county may require prior authorization.
13. **Physician Assistant (PA) services** must be medically necessary and provided by a PA under the direction of a Doctor of Medicine (MD) or Doctor of Osteopathic Medicine (DO) and must be billed by and paid to the supervising physician.
14. **Vision Care** covers one exam by refraction and one pair of prescribed glasses every 24 months that meet Medicaid criteria.
15. **Other** medically necessary services or supplies that the local governmental municipality/entity determines to be cost effective.
