

MASON COUNTY, TEXAS

RFP #26-4879DR-M

Addendum No. 2

Questions and Answers through March 20, 2026

1. **Question:** Can my company submit a proposal if we did not attend the pre-proposal meeting?

Answer: Yes. The pre-proposal meeting was not a mandatory requirement to submit a proposal.

2. **Question:** Does my company have to be fully registered on SAM.gov prior to submitting a proposal.

Answer: No. Please see the following RFP Section 1.13 PROPOSER REGISTRATION: SAM (SYSTEM FOR AWARD MANAGEMENT).

In instances where a PROPOSER has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the County may initially accept proof (printout from the SAM website) that the PROPOSER has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.

However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

Sufficient proof for submitting a proposal would be a screenshot from SAM.gov showing your firm has a 'submitted registration'. (See example screenshot next page.)
